

RCC4_4

Marker

- | | |
|----------------------------|--------------------------------|
| B cell | Myofibroblast |
| Capillary endothelium | Naive B cell |
| CD8 T cell | Naive CD4 T cell |
| Classical monocyte | Naive T cell |
| Collecting duct cell | Neutrophil |
| Epithelial progenitor cell | NK cell |
| Fibroblast | Non-classical monocyte |
| gdT cell | Plasmacytoid dendritic cell |
| Glomerular endothelium | Possibly Mid-Rep (Misc. Cells) |
| Intercalated Cell | Principal cell |
| Intermediate monocyte | Proximal tubule |
| M1 Macrophage (STAT1) | Regulatory T cell |
| M2 macrophage (CD163) | Tumor |
| Mast cell | Vasa recta endothelium |
| Myeloid DC | |
